

Lord, God as a New Year begins I commit myself to love you with all my heart, soul, mind and strength.

I will love you with all my heart, knowing that you first loved me.

I will love you with all my soul, believing that you promise life forever to all who trust in you through Jesus

I will love you with all my mind, thinking on your word in the Bible, and allowing it to guide my life

I will love you with all my strength, giving my best for you at all times.

I may not always get things right, but I thank you that you are the God who never gives up on us

By the power of Your Holy Spirit, help me to keep this commitment and to grow more like your son, Jesus, day by day. Amen
