

How Do I share my faith? - The Conversion Of Saul

In your groups read through Acts chapter 9 verses 1-31, it tells us about the conversion of Saul.

Think about this

- 1 – Why do you think that Saul changed so much when he was healed?
- 2 – If you were Ananias do you think you'd have gone to Saul knowing that he went around persecuting Christians?
- 3 – What things in the passage that Saul did were him sharing his newly found faith?
- 4 – What do you think the people listening to him talk about Jesus who had previously seen him persecute the followers of Jesus thought?
- 5 – What would you have thought?
